UNITHEA #24: CALL FOR APPLICATIONS

Dear performers, directors, musicians, actors, choreographers, dancers, puppeteers, poets, thinkers, artists & collectives ... ,

From June 21 - 22, 2024 the UNITHEA Theatre Festival will take place in Frankfurt (Oder) and Słubice. The theme of UNITHEA 2024:

_covering

In its 24th edition, UNITHEA deals with the wildly varying amount of attention some groups of society get and some not at all. It deals with the way we selectively focus on certain contexts and connections at the cost of other parts of society and their history. Who is hidden? What needs to be un-covered in relation to the traces of the past, the realities of the present and the ideas of the future?

It is desirable to approach the wide range of the topic in a multifaceted and varied way. In addition to classical forms of theater, other artistic formats such as dance, object and puppet theater, performances, street theater, workshops, readings, installations, etc. are also welcome.

The organization and realization of the international festival is carried out by students of the European University Viadrina. The Kleist Forum, the largest event venue of the city in two countries (Frankfurt (Oder) and Słubice), has already agreed to cooperate.

UNITHEA is looking forward to artistic proposals relating to the topic of "_covering".

A fee will be paid for selected productions and projects. Travel costs will be covered and accommodation and meals will be provided.

Applications can be sent to unithea-programm@europa-uni.de by 09.02.2024.

The application should provide a detailed insight into the artistic project and include a concept, visual material (photographs, film, video recordings, etc.) and other relevant information about the project.

To apply or contact us by e-mail, please use unithea-programm@europa-uni.de.

We are looking forward to receiving your applications!

Be well, maybe see you,
